**President's Message
Woody Woodard
Jan 2012**

As Highlands Chapter enters a second year, we have some timing issues to consider. There have been three recent changes to the annual visit from Vic, Reg. VP due to his upcoming surgery. Therefore I am not going to recommend amending our Charter, Article V – Elected Officers, paragraph 2 from May to April at this time.

However, there is the possibility that someone from FLSSAR might show up at the April meeting. Therefore I will ask at Feb. Meeting that you consider who will be your officers for the next two years. That we vote on these officers at the March meeting and that their terms of office begin at the April meeting.

Your current officers have committed to continue in their offices to serve Chapter needs.

At our March Chapter meeting, I will open the floor for anyone to offer their services. There are many offices and committee Chairmanships that need to be filled for us to expand our activities and potential to impact Highlands County.

Mike, George and I hold a workshop lunch each month to discuss issues at hand. Any member interested in attending is welcome. Mike has been working on processing new member's applications, this newsletter and press releases, as well as doing the job of Treasurer. George has been working on the many responsibility of Secretary.

We are in receipt of a message from Phil Tarpley, Sr. VP of FLSSAR which follows:
